

अजापर्णं तु तुवरं तिक्तं वीर्योष्णमेव च ।

कफपित्तहरं हृद्यं ज्वरघ्नं रक्तरोधकम् ॥ (स्व)

It is tuvara and tikta in rasa (astringent and bitter), usna in veerya (hot in potency), kaphapitta hara (alleviates vitiation of kapha and pitta), hradya (cordial to the heart), alleviates jvara (fever) and acts as an hemostatic
